INTER-COLLEGE DEBATE

(AS PART OF CENTENARY CELEBRATIONS OF THE COLLEGE)

ORGANISED BY: DEPARTMENT OF ECONOMICS

DATE: 12th MAY 2023

As part of the Centenary Celebrations of the College, the Department of Economics organized an inter-college debate on the subject "Technology in Agriculture is a Boon." Leaving aside our college, twelve colleges were invited. However, due to internal exams, many colleges were unable to participate. Finally, we had 5 teams for the debate.

PARTICIPATING COLLEGES

1. St. Anthony's College
2. Shillong College
3. Synod College
4. St. Edmund's College
5. St. Edmund's College, Eco Dept

The A.V. room next to the Department of Chemistry was the venue. Speaking on the occasion, Br. Simon Coelho, Principal I/C, welcomed the students and teachers of participating colleges. He spoke highly of the quality of debate.

Members of the College Choir sang a welcome song on the occasion.

Being a small venue, the A.V. room was packed with Participants, students and a few teachers of our college.

The Department of Economics is thankful to our Principal Dr. Sylvanus Lamare, who retired prior to this event, but was instrumental in sending the invitations to the colleges. We are also grateful to all participating colleges without whom this event would not have taken place. We remain obliged to Prof Monotosh Chakravarty for his continuous encouragement and also playing a fundamental role as Speaker of the house. We are also grateful to our eminent Jury members Prof. Shobhan N. Lamare and Dr. Binayak Dutta, both from the Dept of History, North Eastern Hill University (NEHU), for patiently listening to the 10 participants and also sharing a few words after the competition. Finally, our Economics Major Volunteers, thank you for assisting the department and making the inter-college debate a successful event.
